

Bastelanleitung

Steinzeit-Adventskalender

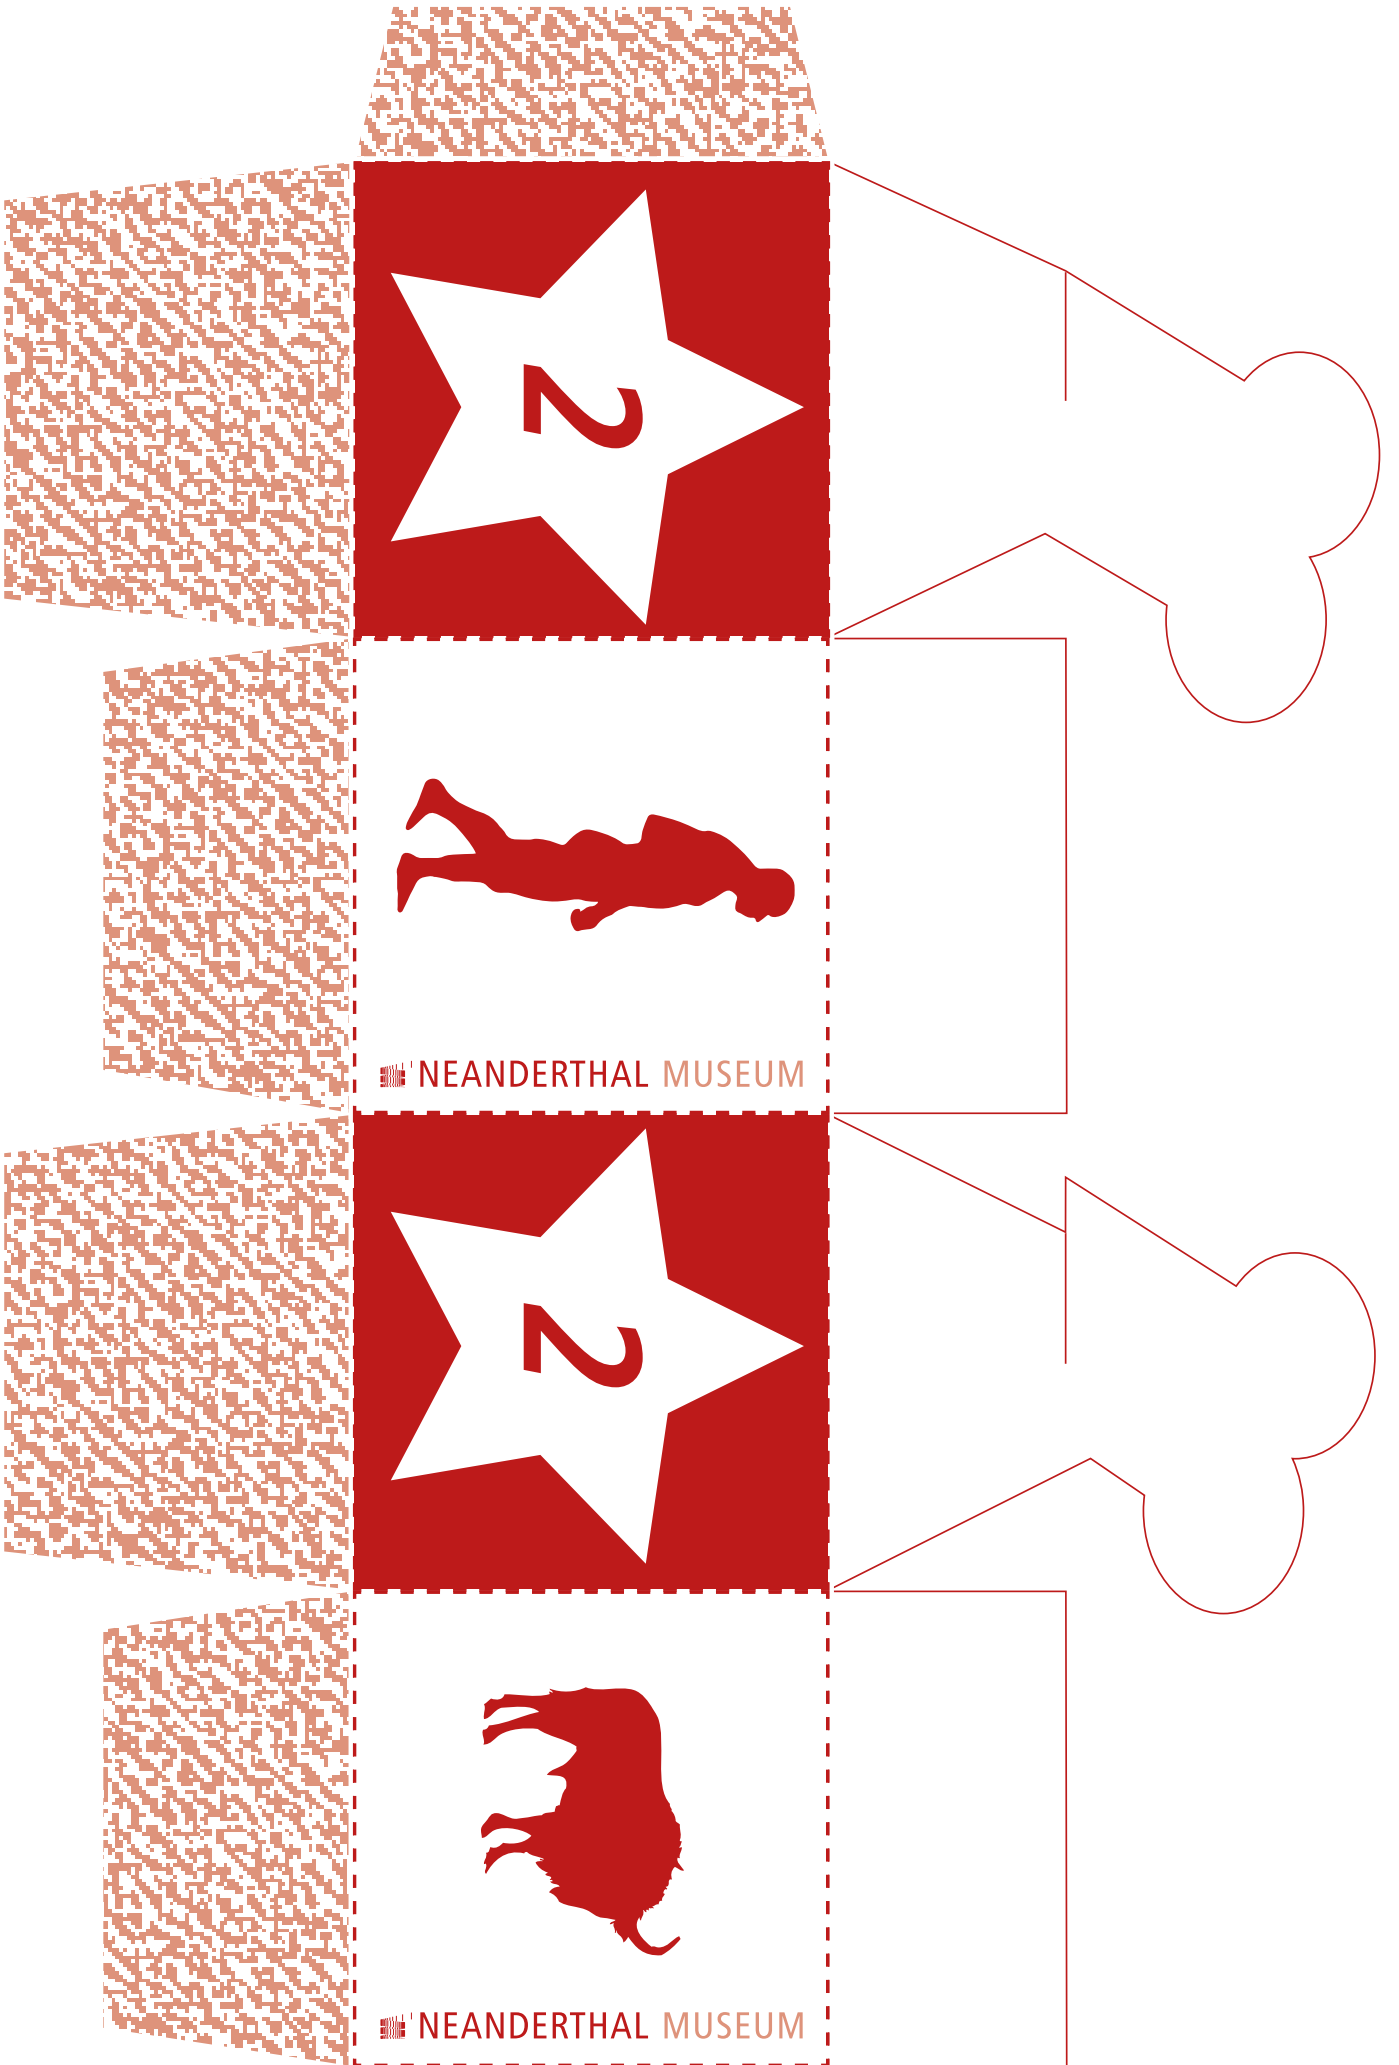

- 1) Drucke die Vorlagen für die 24 Steinzeit-Adventskalender-Boxen aus.
- 2) Schneide die Vorlage an den durchgezogenen Linien aus.
- 3) Falte die Boxen an den gestrichelten Linien.
- 4) Klebe nun die Unterseite der Box zusammen. Die Klebeflächen sind rosa schraffiert.
- 5) Die Seiten der Box klebst du an der seitlichen Klebefläche zusammen.
- 6) Verschließe die Box oben wie ein Paket – erst die rechteckigen Flächen und dann die Knochenteile.
- 7) Auf unseren Social Media Accounts findest du außerdem ein Video zum Nachbasteln der Boxen.
- 8) Befülle nun den Adventskalender mit mammutstarken Kleinigkeiten aus dem Neandertal:
