

We are looking for you

Research Day

SAT May 9, 2026

10:00 a.m. – 4:00 p.m.

You are

a researcher, student,
or early-career scholar
working in the fields of:

- Paleolithic Archaeology
- Mesolithic Archaeology
- Neolithic Archaeology
- Paleoanthropology
- Paleozoology

*Present your
research at
the world-famous
site of the
Neanderthal discovery.
Bachelor's, Master's,
and doctoral projects
are very welcome.*

Neanderthal
Museum
Talstraße 300
40822 Mett-
mann

On May 9, the
Neanderthal Museum
becomes an open forum
for current research.
Within the permanent
exhibition, you will present
your work at your own
booth, with space for:

- posters
- replicas
- artefacts
- simulations
- hands-on elements

and engage directly with a
curious and interested public.

Your benefits

- High visibility at an
internationally renowned
research site
- Exchange and networking oppor-
tunities (including a pizza evening)
- Free access to the museum exhibitions
and the archaeological site

Interested?

Please send us by March 15, 2026:

- the title of your research project
- a short abstract
- optional: a brief note on what
materials you would like to bring
